It's starting to feel quite autumnal outside, even so lots of us have been walking to school – thank you! Since the new school year started we've also taken delivery of the new FLSA purchased laptops and computers for the children to use. Fundraising makes this possible, so please read on for info!

School disco – Friday 18th October

This Friday is our after-school disco. For £3.50 children can stay until 5pm to dance off their energy with friends. They will also get food and a drink within that price.

If you'd like to send your child with a small amount of pocket money, there will be tattoos, glow sticks and tuck shop available to buy.

Outdoor cinema evening, September

Our cinema night attracted some families from outside of our school network, and everyone seemed to enjoy the film. We hope you did if you came. There was a great atmosphere and it helped raise funds for both school and the rec.

A lot went into organising, but it was shared across a team of volunteers - if you'd like to help at a future event please get in touch, no matter how much time you have to spare, we are grateful for any input.

Lastly, we'd like to thank our wonderful sponsors again for quite literally making this event possible. Sherratts Wood CIC, David

Wilson Homes, The Uttoxeter Veterinary Practice, John German Estate Agents, Denstone College, David Eaton Tractors, Bagshaws, Dunoon Ceramics Ltd and FTR Ltd Commercial Body Repairs.

****New committee member required****

Between them they've given years of support to the FLSA, but Sarah Evans and Lucy Mildwater are stepping down from the committee at Christmas. As disappointing as this is, they will still be around to help out, but it means we need a new Secretary to enable the committee to continue. If you'd like to get more involved by stepping into this role or just in general, or want to know more, please get in touch.

****Monthly draw****

You've got to be in it to win it - each month half the proceeds go to the winner and half to the FLSA.
