## Christmas activities & fundraising - round up

**Balloon race** - Raised over £200 via our virtual balloon race fundraiser in November.

**Raffle** - approximately £300 made thanks to the wonderful donations.

**Film night** - almost all of classes 1-3 enjoyed watching a Christmas film together.

**Secret Santa** - this not-for-profit activity proved popular again with nearly 100 gifts purchased and chosen by the children for their families.

The FLSA paid school £1000 at the end of last year, to help pay for the Christmas pantomime and new picnic tables in the playground.

We are also giving each class £50 to spend on items of their choice. Class 3 each has a beautifully printed book of their own work on Ernest Shackleton. Class 2 have purchased seven copies of illustrated dictionaries to share between two in class. Class 1 and pre-school are currently choosing what they'd like.

## Thank you for your support!

## Easter

Easter eggs have been provided for all children in school and pre-school by Coleman's & Co, courtesy of Gareth Rowe - thank you on behalf of the school.

Colouring competition for over the Easter holidays - grab a print out from school to take part for a chance to win a prize! There will be one prize per class and one overall winner.

## Summer raffle

School will have a non-uniform day on 6th May in return for donations for our next raffle.

We're making it a bit different this time and asking children to bring in items in the colour of their school house! This is so that we can make up hampers in the house colours. (We will gratefully accept other donations as well.)

## Volunteers

Our school PTA is run by a small group of volunteers and we'd love for more parents / grandparents / carers to get involved where you can.

Thank you to Debra Burns who has joined the committee as Treasurer.

We have a Facebook page and email (below) you can contact us on, or in person at school.

We meet roughly quarterly to agree on events, activities and fundraising. The next meeting will be 28th April, 2.30pm in school.
