

All Saints CE First School

Pupil Premium Grant Report

2022-2023

All Saints CE First School receives Pupil Premium money in its school budget. This money is allocated to children who are eligible for free school meals or have been eligible for free school meals at any point in the past 6 years using Ever 6 FSM and Looked After Children (referred to as LAC). This grant, which is additional to the main school funding, is the best way to address the current underlying equalities and to tackle advantage.

Principles

- To ensure that teaching and learning opportunities meet the needs of all children, using lesson observations, book trawls and pupil conversations to ensure that there is no in-school variation in the delivery of the curriculum.
- Place appropriate provision for all children belonging to vulnerable groups including disadvantaged children.
- Pupil Premium funding is allocated following a needs analysis, which identifies priority groups and individuals. Termly pupil progress meetings and regular reviews of interventions ensure that these priorities are analysed throughout the academic year. In addition, this ensures that all staff are aware of pupils who are eligible for Pupil Premium.
- All activities are aimed at accelerating progress and ensuring that pupils move to at least age related expectations.
- Pupil Premium will also be used to enrich the experiences of more able children.
- The Governors of All Saints will publish information on how the Pupil Premium Grant has been used.
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged.
- We also recognise that not all pupils who are socially disadvantaged registered or qualify for free school meals.
- We will do everything possible to support any of our pupils who would benefit from additional help.

How will we spend the Pupil Premium to address those barriers and the reason for that approach?

Listed below are some of the strategies used which are flexible and can be adapted as the year develops to meet the needs of the children affected by barriers to their education. Leaders at All Saints believe the aspects below have the greatest impact on diminishing the difference and allow the children to improve their readiness for learning. However, leaders are continuously analysing the effectiveness of interventions. If an intervention does not have the desired outcome and impact, leaders will ensure this is stopped or adapted and monitor the effectiveness of the new intervention used.

All Saints CE First School Pupils Premium funding will continue to be spent on many aspects including the following:

- One-to-one support
- Small group booster sessions in Maths and English
- Group support
- Teaching assistant interventions
- Intervention materials
- Standardised test materials
- Uniform
- Lunchtime Supervision Special Needs Support
- Subsidised trips/Educational Residential Visits
- Peripatetic Music Fees
- Attendance of after school clubs
- Resources
- Staff Training
- Supply
- External agency support
