Sunscreen

Statement:

As children play regularly outside, it is important that they are protected from the sun and it's recommended that throughout the summer months all children have an application of sun cream applied to them before playing out in the sun.

It is recommended that sun cream has a minimum factor value of 30+

We request that all children have sun cream applied **BEFORE** arriving at school. If a top up is required during the day children from Nursery age upwards are expected to be able to reapply their own sun cream, staff will offer supervision. If you send in a bottle of sun cream for your child/ren please ensure it is clearly labelled with your child/rens' name.

Please ensure your child/ren has a sun hat and water bottle with them daily, thank you

***

Children in Ladybirds should also have sun cream applied **BEFORE** arriving at preschool and, if required, preschool staff will then reapply sun cream at lunchtime, in this instance All Saints CE First School require parent/carer permission before applying sun cream to a child

✂.....

Sunscreen Application Consent: PRESCHOOL CHILDREN ONLY

Child's Name: .....

- I give permission for you to apply sun cream, which I have provided for my child as necessary during their day. I agree to provide this labelled with my child's name.
- I understand that I will need to provide suitable clothing for my child to wear in the summer months; e.g. longer sleeved t-shirts and longer shorts.
- I will provide my child with a sun hat, I understand that this should either be wide brimmed or with a neck covering (Legionnaire style)

Parent/Carer Name: ..... Date: .....
