9th January 2026

2 Corinthians 5:17: "Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!"

Dear Parents / Carers,

I hope you have all had a lovely week and it was great to see you back for the new term.

School Closures

I would like to thank you all for your understanding this week with our school closures. I am sure the children were devastated to be forced to have extra days at home! 😊

I do understand how disruptive these closures can be for our families but please be reassured this only happens if absolutely necessary, following our risk assessments.

Healthy Snacks

As part of our commitment to supporting children's health and wellbeing, we would like to remind families about the importance of sending healthy snacks into school.

We have recently noticed an increase in unhealthy snack items being brought in. To help children maintain good energy levels and concentration throughout the day, we kindly ask that snacks are healthy choices such as fruit, vegetables, yoghurt, or other nutritious options. We also encourage children to bring water to drink during the school day.

Thank you for your continued support in helping us promote healthy habits for all our children.

INSET Day

The children break up on Thursday 12th February due to there being an INSET day on Friday 13th February. Children will return on Monday 23rd February.

I hope you all have a wonderful weekend and we will see all on Monday.

Mrs Pugliese,

Interim Executive Headteacher
